## CANOEING IN HIGH FAVOR

### Fred Church to Offer Cup for Triangular Race.

Something new in aquatic events is being planned by Manager Church of the Seaside Hotel.

There are now some twenty-five Canadian canoes at different places along the beach and Church proposes to offer a valuable trophy for a race to be decided in the near future.

The course, which will be a triangular one, will start and finish off the hotel, the legs being half a mile in length. One leg will be paddled against the breakers, one in the open sea and the third, with the breakers.

Canoe races of this kind, are greatly in vogue at mainland resorts and should prove to be very popular here.

Church may also offer a cup for a native canoe, and more than one young haole has already stated that he would get a crew together and compete, provide such an event were brought off.

Canoeing is becoming very popular at Waikiki. It is a fact not generally appreciated that a person can paddle a Canadian canoe inside the reef, from Waikiki right into the harbor.

Such a cruise is of a delightful nature, for besides the exercise provided, an unparalleled chance is offered to inspect the wonderful fish and aquatic plant life of the calm water between reef and shore.

#### Hilo Tennis Tourney.

#### Mahn Won Cup.

LIHUE, July 17.—The ambition of every enthusiast at the bowling alley is not only to beat his competitors occasionally, but to do it so effectually twice a year that he may become the proud possessor of the beautiful silver cup donated by Mr. C. M. Cooke to promote the noble sport of tenpins.

The first of the half-yearly contest

for the much-coveted trophy took place in January and as a result Mr. Rutsch has shown it to his admiring friends at his home during the last six months.

The Fourth of July saw the second battle and the former possessor had to yield up the apple of his eye to Mr. Mahn, who has proved his right to consider it his property until somebody else beats him out of it.

The several scores that decided the outcome were:

#### No Polo This Year.

LIHUE, July 16.—Mr. C. A. Rice has received a letter from the Maui Polo Club informing that the club would not be ready to go into any contest games this year, neither at Honolulu nor here on Kauai.

This news came as a disappointment to the boys here, who had looked forward to proving their mettle some time in the fall. The Oahu Club has already declined a tournament here this year, but there is a hope that both the clubs will be ready next year, when election and similar obstacles are out of the way.

#### To Play for Golf Trophy.

There will be a White Rock Golf Cup competition on the Moanalua links today, the draw taking place at the clubhouse at 10:30 a. m.

The entry list is large and contains the names of most of the best golfers in Honolulu. Some good playing is confidently looked forward to.

#### Frank S. Loses Race.

WAILUKU, July 21.—There was a match race Monday afternoon at Spreckels Park, Kahului, between Billy Cornwell's horse, Happy Hooligan, and Enos' Frank S. for a quarter of a mile. Happy Hooligan won.

#### Preliminaries Arranged

The preliminaries of the McFadden-Morch fight were definitely arranged yesterday.

J. Bettincourt and Wahliani are booked to go ten rounds. These boys fought a 4-round draw once before and the bout should be a good one.

Ah Sam, Honolulu's fighting Chinaman, will box six rounds with Young David, a Kalihi Club phenomenon. David is a native and is well thought of by those who have seen him box.

Manager Sullivan will probably add a battle royal by natives to the list of attractions billed for August 4.

Morch is already working hard. McFadden commences training tomorrow.

#### Riflemen Are Active.

There will be shooting on the Kakaako range this morning for all who care to participate. The shoot will begin at 8 o'clock.

The recent prize shoot has stimulated rifle-shooting greatly and already marksmen are beginning regular practice at the butts with an eye to the big New Year's competition.

"Children," said the teacher, instructing the class in composition, "you should not attempt any flights of fancy. Do not imitate any other person's writings or draw inspiration from outside sources; simply be yourselves and write what is in you."

As a result of this advice Tommy Wise turned out the following composition: "We should not attempt any flights of fancy, but write what is in us. In me there is my stummock, lungs, hart, liver, two apples, one piece of pie, one stick of lemon candy and my dinner."
